Principal Leadership Certificate

Principal Leadership – An International Perspective

The University of Waikato in conjunction with the Ontario Principals' Council is offering a leadership retreat. This is an opportunity to meet together with other school leaders in a face to face setting to discuss and debate the work of school leadership through an international lens.

No assignments, no essays, no after hours work- just time out from the daily work to talk and think and learn from others - a time for reflection on our work, a time for sharing the great things happening in our schools and a time for new learning.

On completion of the six modules you will receive the International School Leadership Certificate.

Te Whai Toi Tangata: Institute of Professional Learning

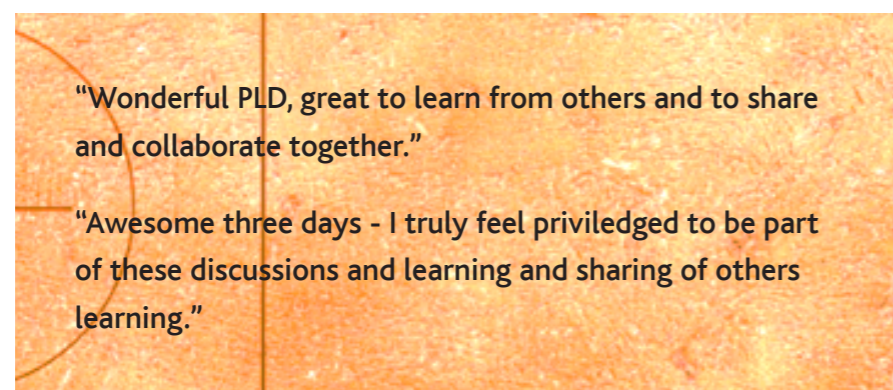

The Institute of Professional Learning: Te Whai Toi Tangata is a bilingual, bicultural professional development organization which is an integral part of the Faculty of Education at the University of Waikato.
